- **Hear sound teaching** – that integrates Biblical values and spiritual truth with practical business counsel.
- **Advance your business education** – by attending year after year. Our systematic coverage of all aspects of business leads to well-rounded business training. Each year focuses on different areas of business operations and management.
- **Invest your time well** – by setting aside the tasks of one day to focus on your long-term business development. Time invested in personal growth has good returns.
- **Energize your vision** – with renewed inspiration for personal growth and renewed purpose in your business life.
- **Gain kingdom focus** – by learning and growing in kingdom-focused business theory and practice. Learn how others live out the Sermon on the Mount in daily business life.
- **Interact with other Anabaptist business people** – from our own circles, who share their business experience. Gain insights and connections that you will not find at secular or non-Anabaptist seminars.

Anabaptist Financial's business seminars are not only for business owners, partners, and families. Anyone who provides products and services and interacts with the public will benefit. From beginners to old pros, everyone is welcome.

As We Have Therefore Opportunity | Paul Devon Hochstetler

All that we have belongs to God. This includes not only the fruits of our labor, but even our labor itself. How we use our time, talents, and treasure is a reflection of who we serve. What are we doing with the opportunity we have been given through business? Does our use of these resources present a compelling demonstration of the Kingdom of God?

8:45 – 9:05 AM BREAK
9:05 – 9:50 AM GENERAL SESSION

Right People, Right Seats | Rodger Weaver

Responsibilities are often much more complex than a mere job description. Roles within an organization must be clearly defined for individuals to achieve best results. A manager who carefully aligns the capacity and passion of each candidate and places them in a position to succeed will be rewarded with a confident and productive team.

9:50 – 10:05 AM BREAK
10:05 – 10:50 AM GENERAL SESSION

Lessons from a Prodigal Marketer | Roy Herr

Are you struggling to reconcile your marketing with your convictions? This session will contrast the world's advertising with Godly marketing practices. Roy draws from his extensive experience in sales, branding, and consulting to present five Biblical principles that must influence our advertising.

10:50 – 11:00 PM AF OVERVIEW
11:00 – 12:15 PM LUNCH
12:15 – 1:00 PM GENERAL SESSION

When the Going Gets Tough | Panel Members

In this segment, seasoned Anabaptist businessmen share personal accounts of their seasons of struggle and how God used these experiences to mold them into better stewards. Most businesses will face challenges beyond their control at some point. Take advantage

of this opportunity to learn from those who have encountered failure and loss and allowed it to strengthen them.

1:00 – 1:15 PM BREAK
1:15 – 2:00 PM GENERAL SESSION

Stewards of the Souls of Men | Nelson Martin

From the creation of mankind, God has called us to be the "keepers of our brethren." Employers and managers are tasked with the solemn responsibility of watching for the souls of those for whom they are responsible. This topic examines potential pitfalls of the workplace, calling us to a higher standard of accountability when exposed to the deteriorating morals of our society.
