

Anabaptist Financial presents business seminars from an Anabaptist perspective. Our seminars help you develop operational skills, implement best practices, work together in harmonious relationships, and plan for the next generation. Join us for a unique opportunity to:

- **Hear sound teaching** – that integrates Biblical values and spiritual truth with practical business counsel.
- **Advance your business education** – by attending year after year. Our systematic coverage of all aspects of business leads to well-rounded business training. Each year focuses on different areas of business operations and management.
- **Invest your time well** – by setting aside the tasks of one day to focus on your long-term business development. Time invested in personal growth has good returns.
- **Energize your vision** – with renewed inspiration for personal growth and renewed purpose in your business life.
- **Gain kingdom focus** – by learning and growing in kingdom-focused business theory and practice. Learn how others live out the Sermon on the Mount in daily business life.
- **Interact with other Anabaptist business people** – from our own circles, who share their business experience. Gain insights and connections that you will not find at secular or non-Anabaptist seminars.

Anabaptist Financial's business seminars are not only for business owners, partners, and families. Anyone who provides products and services and interacts with the public will benefit. From beginners to old pros, everyone is welcome.

Order and Rhythms in an Offbeat World | Gabe Yoder

In a fast-paced, chaotic world, it's important to bring some order to the chaos. Purposeful rhythms and cycles keep us balanced, focused, and productive, as well as rested and revived.

9:30 – 9:45 AM STEWARDSHIP EDUCATION OVERVIEW
9:45 – 10:05 AM BREAK
10:05 – 10:50 AM GENERAL SESSION

Risk, Liability, Debt, and Economic Uncertainty | Darrel Miller

From boom to bust, low interest rates to rising ones, and an uncertain economy, the last 20 years have been a wild ride. Let's review how we got here. Then look forward and discuss the principles needed to guide us in deploying capital and assessing risk during times of uncertain interest rates, inflation, and growth.

10:50 – 11:05 AM BREAK
11:05 – 11:50 AM GENERAL SESSION

Planning and Prioritizing | David Bower

Making progress on the most important things happens best when you have a plan. And even the best laid plans need to be adapted along the way. Learn how to plan for an unclear future by first clarifying your most important areas of focus.

11:50 – 12:00 PM AF OVERVIEW
12:00 – 1:15 PM LUNCH
1:15 – 2:00 PM GENERAL SESSION

Leadership in Uncharted Territory | Ken Nisly

Organizational leadership and working with people can sometimes feel like a road trip without an atlas or GPS—there are choices to be made, but it's not always clear where they'll lead us or what challenges we might encounter along the way. When the way is unclear, three principles will help us find the way forward: humility, tenacity, and curiosity.

2:00 – 2:15 PM BREAK
2:15 – 3:00 PM GENERAL SESSION

Process and Improvement in Operations | Eddie Wengerd

Improvement is sometimes dramatic, but more often it is small adjustments and changes along the way. This session will give practical tips and tools for finding and making needed improvements to our work and processes.

3:00 – 3:15 PM BREAK
3:15 – 4:00 PM GENERAL SESSION

Listening Well | David Bower

Many times, listening is the overlooked ingredient in the art of good communication. In fact, some say good communication consists of 80% listening and 20% speaking. What does it take to truly listen—not just hear—what the other person is saying?
