

Anabaptist Financial presents business seminars from an Anabaptist perspective. Our seminars help you develop operational skills, implement best practices, work together in harmonious relationships, and plan for the next generation. Join us for a unique opportunity to:

- **Hear sound teaching** – that integrates Biblical values and spiritual truth with practical business counsel.
- **Advance your business education** – by attending year after year. Our systematic coverage of all aspects of business leads to well-rounded business training. Each year focuses on different areas of business operations and management.
- **Invest your time well** – by setting aside the tasks of one day to focus on your long-term business development. Time invested in personal growth has good returns.
- **Energize your vision** – with renewed inspiration for personal growth and renewed purpose in your business life.
- **Gain kingdom focus** – by learning and growing in kingdom-focused business theory and practice. Learn how others live out the Sermon on the Mount in daily business life.
- **Interact with other Anabaptist business people** – from our own circles, who share their business experience. Gain insights and connections that you will not find at secular or non-Anabaptist seminars.

Anabaptist Financial's business seminars are not only for business owners, partners, and families. Anyone who provides products and services and interacts with the public will benefit. From beginners to old pros, everyone is welcome.

Business as a Mission | Gary Miller

Business can be a powerful platform to reach out in our communities. But business and wealth can also be a spiritual snare. How can we utilize the financial teachings of Proverbs, while being true to the teachings of Jesus? How can we use our businesses to demonstrate Jesus without becoming ensnared? How can we employ and mentor unbelieving employees without losing Biblical values? In this session, we will explore some potential blessings and dangers of using our business as a mission.

10:45 – 11:05 AM BREAK
11:05 – 11:50 AM GENERAL SESSION

Why You Need a Plan | Greg Wolf

"Except the Lord build a [business], they labor in vain . . ." Every business needs a plan! Without one, you're just reacting to whatever comes your way. You can choose to plan intentionally, prioritize purposefully, and manage proactively, or you can let your business drift, reacting to circumstances. In this session, we will cast a vision for intentional business planning and the reason to develop an annual business plan.

11:50 – 12:00 PM AF OVERVIEW
12:00 – 1:05 PM LUNCH
1:05 – 1:50 PM GENERAL SESSION

Finding Balance: Work, Family, and Church Priorities

| Paul Peachey

The pressures from different aspects of our lives often press in and demand undivided attention. This session will give practical

insights on how to achieve priority, balance, and peace across three areas of responsibility: work, family, church.

1:50 – 2:10 PM BREAK
2:10 – 2:55 PM GENERAL SESSION

Developing a Plan | Greg Wolf

This practical session builds on the vision of the previous session and includes tips and steps to start and improve your business planning process.

2:55 – 3:15 PM BREAK & SNACK
3:15 – 4:00 PM GENERAL SESSION

When the Barns are Full | Gary Miller

Success in business is a blessing – but it also brings challenges. Is constant growth the only sign of a healthy business? Do we know when enough is enough? How can you lead as a good steward when your "barns are full," embracing the idea that bigger isn't always better in God's economy.
