

Anabaptist Financial presents business seminars from an Anabaptist perspective. Our seminars help you develop operational skills, implement best practices, work together in harmonious relationships, and plan for the next generation. Join us for a unique opportunity to:

- **Hear sound teaching** – that integrates Biblical values and spiritual truth with practical business counsel.
- **Advance your business education** – by attending year after year. Our systematic coverage of all aspects of business leads to well-rounded business training. Each year focuses on different areas of business operations and management.
- **Invest your time well** – by setting aside the tasks of one day to focus on your long-term business development. Time invested in personal growth has good returns.
- **Energize your vision** – with renewed inspiration for personal growth and renewed purpose in your business life.
- **Gain kingdom focus** – by learning and growing in kingdom-focused business theory and practice. Learn how others live out the Sermon on the Mount in daily business life.
- **Interact with other Anabaptist business people** – from our own circles, who share their business experience. Gain insights and connections that you will not find at secular or non-Anabaptist seminars.

Anabaptist Financial's business seminars are not only for business owners, partners, and families. Anyone who provides products and services and interacts with the public will benefit. From beginners to old pros, everyone is welcome.

- 11:05 – 11:50 AM GENERAL SESSION

### Ethical Marketing | Howard Horst

Building trust and authenticity into our marketing model is imperative to our success as a company and our witness as a Christian business community. Do we know our target audience? Does our branding and sales model accurately portray our product and service? Can we market in a way that stimulates interest in potential customers but does not foster undue discontent?

- 11:50 – 12:00 PM AF OVERVIEW
- 12:00 – 1:15 PM LUNCH
- 1:15 – 2:00 PM GENERAL SESSION

### Creating Effective Business Agreements | Matthew Miller

Effective business agreements are key to deterring and resolving conflict, minimizing heartache, and protecting against loss. Matthew draws on his years of experience in creating and executing bids, contracts, and operational agreements to illustrate when documentation is needed and how to create agreements that protect the interests of the involved parties.

- 2:00 – 2:15 PM BREAK
- 2:15 – 3:00 PM GENERAL SESSION

### Business Management Panel | Speakers

The seminar speakers represent a wealth of experience in business management and leadership. Bring your questions for the panel the day of the seminar, or email them to [arlinkraemer@afweb.org](mailto:arlinkraemer@afweb.org) for the opportunity to benefit from seasoned businessmen who have "been there."

- 3:00 – 3:15 PM BREAK & SNACK
- 3:15 – 4:00 PM GENERAL SESSION

### Moral Safety in the Workplace | Norman Yoder

Proactive steps should be taken to protect moral safety in the workplace. Physical and emotional attachments can quickly become unhealthy if not guarded against. What can employers do to ensure a safe, Christian environment where men and women can work respectfully and ethically together?
