Youth & Young Family Finance seminar

A rescue squad is urgently needed when someone falls off a cliff, but it would be much better if there were a fence to keep people from getting too close to the edge in the first place. For youth and young married couples, this seminar helps them avoid the edge of the financial cliff and painful falls. Topics **include debt and its consequences, key principles of saving, when and how to give, and more!**

"Anabaptist Financial is a nonprofit organization, assisting the brotherhood in channeling resources within the kingdom of Christ and providing stewards with financial counsel consistent with conservative Anabaptist beliefs and values. We do this through a loan program, as well as through our charitable gift services to Anabaptist donors, churches, and nonprofit organizations. We also provide educational programs that weave an understanding of Biblical stewardship into business and family finances through educational seminars, articles, books, audios, advising, and business management tools."
