A rescue squad is urgently needed when someone falls off a cliff, but it would be much better if there was a fence to keep people from getting too close to the edge in the first place. This seminar helps youth and young married couples avoid the edge of the financial cliff and prevents painful pitfalls. Topics include debt and its consequences, key principles of saving, when and how to give, and more.

Do you know where you are financially? Do you wonder where your money goes? Are you frustrated in your marriage because of money? In this seminar, we will walk through some simple steps to creating your own family budget. A family budget can help couples communicate about their vision for finances, be better stewards of God-given resources, and show where your treasure and heart really are.

Plan to attend both meetings. You will learn more and better understand your finances if you attend both meetings.

There is no cost for these seminars, but we would appreciate it if you can register by 2 weeks prior to the seminar date. This helps us make sure we have adequate seating and handouts available.

Snack and resource materials will be provided at no cost.

To reserve your seats, please call (267) 368-4628 to let us know how many will be attending, or email seminars@afweb.org or online at: afweb.org/events
